

# Our Bifurcated Fiberoptic Headlight Cable Will Fit Anyone's Light Source and Your Equipment Budget

Sooner or later you will replace your fiberoptic headlight cable. Ordinary use can break the delicate glass fibers. PRODUCTS FOR MEDICINE replacement cables are designed to fit any manufacturer's light source, and they are sold below original manufacturer's prices. Constructed to minimize heat build-up, PRODUCTS FOR MEDICINE bifurcated cables are designed with your comfort in mind and are backed with a full six months of warranty protection.

The photo illustrates the bifurcated design which offers more flexibility and comfort to the user.

Color-coded universal adaptor fittings allow the Bifurcated Fiberoptic Cable to connect with any power/light source - Storz, Pilling, Olympus, Design For Vision, Luxtec, Wolf, Solos, and many more.

All cables are available with 45-degree angle end or to your specifications.
